

June 1, 2021

Dear Vernon Jones,

We are a concerned group of voting citizens and we represent the Georgia Mountain Patriots. On November 06, 2020, Governor Brian P. Kemp, Lieutenant Governor Geoff Duncan, and Speaker David Ralston issued the following joint statement regarding the 2020 general election.

“Free and fair elections are the foundation of our American government. Any allegations of intentional fraud or violations of election law must be taken seriously and investigated. We trust that our Secretary of State will ensure that the law is followed as written and that Georgia’s election result includes all legally-cast ballots — and only legally-cast ballots. We will continue to follow this situation to ensure a fair and transparent process.”

Since the time of this statement, the executive branch has blocked, challenge after challenge removing any and all transparency and fairness of the election process in Georgia. Every legal contest has been met with the members of the executive branch filing motions to END the requests by Georgia citizens. In one of the latest court filings in Hall County, it was discovered that... ” **The SOS brief was found to have approximately fifteen false claims**, identified by the Petitioners response brief.” The executive branch is lying to our courts and our citizens in an effort to cover-up election crimes. **This must STOP!**

We are asking that Georgia Governor, Brian Kemp is to be investigated for violation of Georgia law, dereliction of duty and possible crimes against the citizens of Georgia. We implore you to call for an investigation. The actions or lack thereof by Governor Kemp in allowing his branch of government to continually deceive the courts and the people of Georgia is a violation of Georgia Code Title 45. Public Officers and Employees 45-11-1. The attached document explains many of the Georgia laws, codes, and oaths violated by Governor Kemp. The attached document will be communicated to the Georgia Office of Inspector General.

Thank you for your service and support,

Respectfully,

Mountain Patriots

Office of the Inspector General – Investigation of Governor Brian Kemp

We are asking that Georgia Governor, Brian Kemp is to be investigated for violation of Georgia law, dereliction of duty and possible crimes against the citizens of Georgia. These acts and acts of omission occurred prior to, during and following the 2020 general election and the 2021 senatorial election. The Governor of Georgia is responsible for, enforcing laws and maintaining peace, leading our state's National Guard and police forces, and convening special sessions of the Georgia Assembly

Governor Kemp has violated Georgia Code Title 45. Public Officers and Employees 45-11-1, Code of Ethics for Government Service 45-10-1, Loyalty Oath 45-3-13, Proceeding for false swearing when loyalty oath violated.

Governor Brian Kemp stated on November 6, 2020 in a Joint Statement on Georgia Election that, *“Free and fair elections are the foundation of our American government. Any allegations of intentional fraud or violations of election law must be taken seriously and investigated. We trust that our Secretary of State will ensure that the law is followed as written and that Georgia’s election result includes all legally-cast ballots — and only legally-cast ballots. We will continue to follow this situation to ensure a fair and transparent process.”* Governor Kemp is the head of the executive branch in Georgia, who has made every effort to block a “transparent process”, with opposing court filings and concealing these issues from the people of Georgia.

The most recent example, Secretary of State (SOS) Brad Raffensperger and Georgia Attorney General Chris Carr filed an Amicus brief to halt the ballot inspection approved by Hall County Judge on May 21, 2021. *“The court upheld Petitioners’ Constitutional rights despite an opposing Amicus Brief from Attorney General (AG) Chris Carr and Secretary of State (SOS) Brad Raffensperger seeking to stop the inspection.”* The SOS brief was found to have **approximately fifteen false claims, identified by the Petitioners response brief** and a second Amicus Brief filed by the Tea Party Patriots Foundation and Filipino Latino Asian Movement for Empowerment.

The actions or lack thereof by Governor Kemp in allowing his branch of government to continually deceive the courts and the people of Georgia is a violation of Georgia Code Title 45. Public Officers and Employees 45-11-1. Which states,

Governor Brian Kemp violated sections 2, 7, 9, and 10 in the Code of Ethics for Government Service 45-10-1.

"I, Brian Kemp a citizen of and being an employee of and the recipient of public funds for services rendered as such employee, do hereby solemnly swear and affirm that **I will support the Constitution of the United States and the Constitution of Georgia.**"

Governor Brian Kemp violated Proceeding for false swearing when loyalty oath violated 45-3-15. If any person required to do so by Code Sections 45-3-11 through 45-3-14 and this Code section executes a loyalty oath and subsequently **it is proved that said individual has violated the oath, then the governing authority shall institute proceedings in the proper court against such person for false swearing.**

Governor Brian Kemp was in charge when the executive branch changed Georgia election laws, that is the sole responsibility of the state legislature. This is a clear violation of the State constitution. Withholding this information from the public is a violation and a felony per Georgia Code Title 45. Public Officers and Employees § 45-11-1. Governor Brian Kemp violated the State Constitution which is a violation of sections 2, 7, and 10 in the Code of Ethics for Government Service 45-10-1, his Loyalty Oath 45-3-13, and 45-3-15 Proceeding for false swearing when loyalty oath violated.

Governor Brian Kemp has created a culture within the executive branch of the Georgia government in which he, the secretary of state, the attorney general believes the voters in Georgia do not deserve transparency in their election. Instead, they need to accept the criminal behavior of Dominion the Georgia Executive Branch of Government. The AG stated on May 21, 2021 that Georgia voters have no right to investigate their ballots.

Governor Brian Kemp has not directed the Office of the Inspector General to Investigate the response of the Georgia Secretary of State to hundreds of reports of voter fraud and election irregularities

Governor Brian Kemp is responsible for convening special sessions of the Georgia Assembly

Governor Brian Kemp was cognizant of continued election issues and based on a press release from the Governor on November 26, 2020. He stated, “I have heard from many members of the General Assembly, and I appreciate their input and share their concerns. I look forward to working with Lt. Governor Duncan, Speaker Ralston, and members of both bodies to address the issues that have been raised over the last few weeks.” Governor Brain Kemp did not call for a Special Session of the Georgia Assembly prior to certifying the vote, this is a dereliction of duty when he had the knowledge of wide-spread voter fraud in Georgia, and a small margin in votes.

The contents of this document clearly illustrate Governor Brian Kemp is to be investigated for violations of Georgia law, dereliction of duty and possible crimes against the citizens of Georgia. We are asking you to lead the effort and use all possible resources external to the Executive Branch to expose, prosecute, and correct the crimes that occurred during the 2020 election. The citizens of Georgia deserve to once again be proud of the state and their representatives. We look forward to your response to our request.

Sincerely,

Jack Taylor
