Senator Harbin,

I am a voting citizen in Georgia and very concerned about the integrity of our election process. I have not forgotten the last elections and we are demanding answers. The future of our great State and Country depends on actions taken today. We are requesting that you, as Chairmen of the Oversight Committee bring Secretary Raffensperger before your committee to testify under oath. Please take the actions requested by Senator Burt Jones in a letter to you dated July 15th, 2021, to help restore the integrity of our great state. I look forward to your swift action before more damage is done.
