

Call to Action

The following suggestions came from members following John Mason's recap of radical Islam and a "Call to Action" (August 1st, 2019 meeting)

- 1) The [Cherokee Gun shop](#) has come under fire for a billboard they posted regarding "The Squad". Ray Biber asked why conservatives are not vocal in support of issues the liberal/progressives attack. He suggested like-minded members call them ([Cherokee Gun Store](#)) and lend their support.
- 2) Ray Biber also discussed a program ([Read Across America](#)) he was involved with in FL. Permission was obtained to give a discussion and teach the US Constitution in the local schools.
- 3) Begin sending emails, have friends forward them. Get active in social media.
- 4) Find out what websites are combatting the Muslim threat and share it with the group.
- 5) [The Epoch Times](#) newspaper was mentioned as a source for information.
- 6) Wisely choose an issue we believe in and arrange for a "Public Display" to garner support and get our point across. (The liberals had one recently in Blue Ridge comprised of participants from various surrounding counties).
- 7) Display the Stars and Strips every day, not just on holidays.
- 8) Churches need to organize prayer (a few active prayer vigils were mentioned, including [Awake America](#) that is held in various areas including Blue Ridge and Murphy)
- 9) Make a list of what you stand for and are against. Discuss it at our monthly meetings.
- 10) Come out and support the Sept 7th [Awake America Prayer and Memorial Service](#) at the Fannin County Performing Arts Center
